

Why attend our general membership meeting? Here are a few reasons:

- Meet and talk to Devyn Derrick, the new WSP inspector sergeant at an informal meet and greet hospitality room.
- Hear from state experts on weights, loads, safety and other pertinent issues that will help you run a more successful company.
- Hear prominent speakers.
- A time to network, to laugh, enjoy good entertainment, sample local wines, enjoy delicious food, bask in the Eastern Washington sun along the shores of the Columbia River
- A 48 hour break where you can gather updated education, where you can relax, rewind and recharge before you hit the roads to help the motoring public.
