RCW 46.55.080

(2) The person requesting a private impound or a law enforcement officer or public official requesting a public impound shall provide a signed authorization for the impound at the time and place of the impound to the registered tow truck operator before the operator may proceed with the impound. A registered tow truck operator, employee, or his or her agent may not serve as an agent of a property owner for the purposes of signing an impound authorization or, independent of the property owner, identify a vehicle for impound.

(3) In the case of a private impound the impound authorization shall include the following statement: "A person authorizing this impound, if the impound is found in violation of chapter 46.55 RCW, may be held liable for the costs incurred by the vehicle owner."

We understand this authority shall become effective immediately and we authorize Columbia Towing to post impound signs at each entrance and throughout the property as required by Washington State law. We further understand that upon signing each Authorization to Impound or Tow and Vehicle Inventory Form we are allowing Columbia Towing to charge the current impound rates (listed above) to the vehicle's registered owner to release any vehicle on site or elsewhere.
